PGH Bricks & Pavers are proud to be the preferred brick supplier for one of Australia's most loved TV shows, The Block.

### TRIBECA BRICK FROM THE MANHATTAN RANGE

The Manhattan range of bricks has been produced with today's modern technological advancements behind the crafted manufacturing process, ensuring these bricks deliver consistent strength, durability and longevity.

The rich Tribeca colour palette brings personality into any space, balancing well with exterior greenery and adding warmth to interiors and was the perfect choice for The Block 2024 Clubhouse fireplace.

### EAST HAMPTON FROM THE MANHATTAN RANGE

The urban Manhattan range features purpose-made bricks with weathered imperfections, knots, scratches & blended colors, creating an edgy, exposed brick wall aesthetic.
